

ADELANTO HIGH SCHOOL

May 2020 Dates

May 6, 2020

Good afternoon Saints Families,

During this unprecedented time where we have all had to quickly adapt and be flexible with the ever changing conditions, I want to thank everyone for their continued support of their students' engagement with school. Though this transition has been seamless for most, we do recognize that some are struggling and we encourage you to keep contacting teachers, counselors and/or administration to assist with school work. This letter is longer than most as it includes information for the duration of the school year.

Historically, May is one of the greatest months on campus filled with positive energy, AP testing, students/staff winding down, class/pool parties and celebrations of accomplishments. This May is different for all of us, especially for our seniors and their families. Please know that our hearts go out to our seniors as they face an historically unprecedented end to their high school career. The safe alternate plans that are in alignment with the Department of Public Health, Stay at home order and social distancing rules associated with large gatherings pale in comparison to watching our seniors walk across the stage however we cannot lose sight of the need to celebrate the achievements of our graduates. AHS like other schools in the High Desert, County, State and Country, will be streaming our Virtual Graduation May 22nd at 6pm from the Adelanto High School YouTube channel. We encourage you to celebrate your graduate(s) and the memorializing of this accomplishment with your families in a safe environment. Refunds for cancelled events are being processed at the district office and if you have a question about it, please email fiscalservices@vvhhsd.org. Questions about cap and gown can be addressed by Jostens at 760-200-3889.

The last day of school is May 22, 2020 for all students. Schedules have been created to ensure that we are able to adhere to the social distancing guidelines as community members are coming onto the campus, thank you for adhering to the PPE guidelines as well as your assigned date/ time where specified. If you have a need for accessing the campus that is not addressed below, please email epurcell@vvhhsd.org for assistance. At this time, we have not received official word of a change to the start date for next school year which is August 3, 2020. Any changes regarding this will be coming from the VVUHS. Summer school is going to be done virtually with priority going to summer graduates, rising seniors, rising juniors and so on. Updates regarding summer school will be forthcoming from the VVUHS. The latest information from the VVUHS can be found [here](#).
